

THE ENGAGED MANAGER EVENT

Moved to Chico State's Laxson Auditorium for Additional Seating!

October 15, 2019

3:00-5:00 p.m.

Bestselling business author Patrick Lencioni is bringing his latest organizational health program to Chico! The Engaged Manager Event will be held at Chico State's Laxson Auditorium on Tuesday, October 15, 2019, from 3:00 p.m. until 5:00 p.m. and in case you haven't heard already; it's FREE!

Recognized as a true pioneer in leadership and business, Patrick Lencioni is a New York Times best-selling author and according to the Wall Street Journal, **"One of the most in-demand speakers in America."** His written work includes such business classics as *The Advantage*, *The Five Dysfunctions of a Team*, and *The Truth About Employee Engagement*, just to name a few.

Pat is also the founder of The Table Group, which provides practical, relevant, and highly effective organizational health products and consulting services to organizations of all kinds all over the world.

Recent wildfires have devastated our region and our business community has been greatly impacted. As a result, **retaining key employees has become an extremely difficult task.** The best employees are continually tempted away from their jobs by seemingly

greener pastures elsewhere—either toward local competitors, or even completely new cities and states.

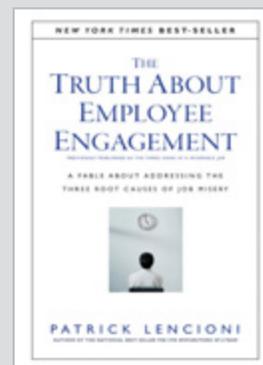

This "talent drain" is rapidly becoming a potentially fatal condition that local businesses must individually address if our region is to remain economically viable.

The Engaged Manager Event will empower North State businesses and their managers by giving them an actionable plan for positively transforming their manager/employee relationships.

Managers will walk away from the event with a clear method to build trust and credibility with their direct reports. The ultimate goal of the event is to help transform the North State's business climate into a shining example of healthy organizations that attract and retain the very best talent—especially in the wake of the Carr and Camp Fires.

BONUS:

Every Attendee will also receive a free copy of Pat's book *The Truth About Employee Engagement.*"
